

Cee Kay Supply Celebrates its 60th year in business

5835 Manchester Avenue - St. Louis, MO 63110 - (314) 644-3500 - www.ceekay.com

Since 1948 Cee Kay Supply has been your Local Gas Distributor

St. Louis, MO- Cee Kay Supply, Inc., the largest independent industrial gas and welding distributor in Missouri, will celebrate their 60-year anniversary in 2008. Cee Kay opened for business in St. Louis, MO in 1948 as a distributor for National Cylinder Gas Company, a manufacturer of gases and welding equipment. The company was founded by Ralph Chase and Ralph Knight.

Cee Kay has distributed welding equipment from equipment manufacturers such as Miller, Lincoln, Hypertherm, and Thermadyne Holdings Corporation, to name a few. They have also produced bulk and cylinder gases to more than 20,000 customers throughout Missouri and Illinois. Their products and services are used in scores of industries including oil and petrochemicals, steel, food, beverage, laboratory research,

pharmaceuticals, aerospace, electronics and metal fabrication. Cee Kay's sales have grown from \$100,000 per year in 1948 to over \$20 million in 2007.

“Cee Kay is focusing on continued growth with a truly solid financial performance. “We have a pipeline of new projects that will contribute to our earnings growth and momentum through the end of this year. This has been made possible by our team of employees and years of excellent performance and dedication to serving our customers,” said Tom Dunn-Owner of Cee Kay Supply, Inc.

Cee Kay Supply, Inc. is headquartered in St. Louis, MO, and has seven stores throughout Missouri and Illinois.
