Cee Kay Rental

Whether you need a machine for a day or several machines for months, Cee Kay has the most convenient Rental Program available

We rotate stock frequently to ensure you receive up-to-date and reliable rental equipment from top welding equipment producers in the industry. As we rotate our stock, we give our customers the opportunity to purchase used equipment at reduced rates. You also have the benefits of maintaining the original manufacturer's warranty if one remains. Check out the following lists to see if there is a used piece of equipment you may need.

For more information on our rental equipment please check out our website at www.ceekay.com or call Cee Kay at (314) 236-0449
